Queen Debby and King Gordon rule over Fantasy of Hearts

King Gordon McWhirter and Queen Debby Brady reigned over "Fantasy of Hearts" on February 12. The annual Valentine Dance was sponsored and decorated by the FHA.

Other members of the 1971 Valentine court included Princess Marsha Jones, Prince Neil Wilburn, Princess Carol Pickering, and Prince Ed Strehlou.

Queen Debby Brady escorted by Prince Ed Strehlou, wore a pink crepe empire dress with gathers at the waist trimmed in white pearls.

Princess Marsha Jones, escorted by King Gordon McWhirter, wore a white dress with red print trimmed with red buttons.

Princess Carol Pickering was escorted by Prince Neil Wilburn and wore a light blue dress accented with a gold chain necklace.

1970 Queen Evelyn Odor, escorted by Rick Eaton crowned the new queen.

Queen Debby was presented with a dozen red and white carnations and each princess wore

a corsage of three white carnations; each prince had a white carnation boutonniere.

Entertainment after coronation was provided by St. Helens Junior Miss Val Douglass when she sang "Raindrops Keep Falling On My Head." Live music was presented by "Sweet Love" from Silverton. As a special feature, Doug Norman, an SHSHS junior, previously from Silverton, played a drum solo with the band.

1970 VALENTINE QUEEN, Evelyn Odor, crowns successor Debby Brady while King Gordon McWhirter attends.

Band Patron's hold dinner

The Annual Band Patrons Dinner, held traditionally on the night of the Homecoming football game was held in the senior high cafeteria Fri. Feb. 26. The dinner was postponed this year because of a lack of organization in the Band Patrons.

Chairmen for the dinner were Mrs. Lewis Halstead and Mrs. Clarence Amick with help from Mrs. Kimmell. "Whether the club will be active in any other project is hard to say", stated Mr. Brumbaugh, band director.

The money received from the event will go toward music scholarships for elementary, Jr. High and Sr. High students who are deserving but cannot afford the cost of private lessons.

Joan wins Betty Crocker award

Joan Karnoski, a senior at St. Helens Sr. High School, has been selected as the 1971 Betty Crocker Homemaker of Tomorrow for St. Helens.

Joan was selected according to her performance in a written knowledge and aptitude exam, which was taken by 35 local girls, on December 1. The test was open to seniors only. After the test had been taken they were sent in to be evaluated.

The test included questions on world problems, population control, etc., along with homemaking questions. Besides the test on general knowledge there was a 20 minute essay question on which the girls were judged.

Upon being selected, Joan received a heart shaped charm with a tiny earth on its face, symbolic of the American home. Al-

so, she is now eligible for state or national awards. This includes 102 college scholarships adding up to \$110,000.

Joan has been sewing since the seventh grade when she made her first dress. She now makes formals, wool dresses, suits, and bathing suits. At the present time, Joan, is working on a velour pant suit at home and an Easter dress of orchid taffeta with chiffon overlay, for her class project.

Joan, 17, enjoys powder puff football. She is also a member of the Acapella Choir in school, is active in Girl's League, IRL, Outdoor Life, and FHA. Outside of school, she is a member of her church's youth group.

She is now awaiting the results of the state competition.

JOAN KARNOSKI, Betty Crocker Homemaker of the Year, sits at work sewing.

Concert to be presented

The University of Oregon Symphonic Band, under the direction of Robert Wagner, will present a concert March 4, at 8:00 in the St. Helens Jr. High Gymnasium. The band, the best of three at the U of O, has earned the reputation of being one of the top three or four college bands in the nation.

The band will give two performances at the Civic Auditorium following their engagement at St. Helens, and an overnight stay in the homes of the Sr. High band students.

The U of O concert is the first in a two part guest artist series in March. The second will be on March 19 and will feature the prominent composer, W. Francis McBeth, along with the St. Helens Sr. High School Symphonic Band and the A cappella Choir. Mr. McBeth will be conducting some of his own compositions with the Sr. High Band.

Tickets for the two concerts will cost \$1.00 for adults and 50c for students. This will admit a person to both of the concerts. The reasons for the two fine

concerts, according to Mr. Brumbaugh, Band director, is to first, bring some exceptionally fine music to the community and second, to raise money for the band's trip to Ashland in the Spring.

Mr. McBeth is the conductor of the Little Rock Symphony Orchestra and is head of the Theory-Composition Department at Quachita University in Adkadelphia, Arkansas.

CELEBRATE

"A Question of Balance" is unquestionably a great album and one of the Moody Blues best efforts.

The five members of the group, through the use of a synthesizer, guitars, drums, flutes, organs, and a multitude of other instruments, produce such a fantastic, full, rich sound that you want to listen to it over and over again.

You might call it an orchestral sound because it is much more than the usual guitar and drums.

Aside from the instruments, the singing is fantastic. Their voices blend in a wonderful musical harmony that, in some songs,

float through the air like a bird on the wind or hit hard like the wind turned into a hurricane.

The words are not just lyrics to go along with the music, they have a deep meaning. Some talk about the ruination of the earth by pollution and "progress", others speak of love and understanding: "... and when he felt fear or knew hurt or was of anger, he knew it was because he wasn't understanding, and he learned compassion, and with his eye of compassion he saw his enemies, like unto himself, and he learned love, then he was answered." Edge — from The Balance.

Barry visits Girls League

At the February 17 meeting of the Girls League, Laura Holz was announced as the Girl of the Month for January, the trait was empathy.

Gail Barry, a television and fashion model and also an instructor from the John Robert Powers School in Portland, gave the girls some interesting and amusing tips on such subjects as, getting in and out of a car, walking and standing, she then answered questions posed by interested persons, and gave some tips on good grooming.

FFA active

February 22-27 is National FFA Week. The St. Helens FFA presented yellow carnations with blue ribbons and notebooks to the faculty.

During the week, the FFA will be helping CAT (Community Action Team) and pruning trees at Caples House in Columbia City. On Saturday, they will be working at Heinies Feed Store. The money they make will go toward trips to next year's National Convention.

Student council meets

The meeting was called to order February 4, 1971 by president Lew Mason. The minutes were read and corrected as follows: Mr. Derbyshire, the lecturer, was not selected by the student council for a national school assembly next year. The treasurer's report was not given.

NEW BUSINESS

Mr. Freeburn spoke to the student council about some subjects of student concern. They were as follows:

A. — The organized boys groups that yell at sports events, like basketball, are in bad taste and are illegal in our league. There are a couple of these groups this year, nevertheless, in other schools and they serve no good purpose. The administration of our school discourages

these highly and is proud of the sportsmanlike conduct of our student body.

B. — The matter of all students not having to attend pep assemblies if they wish not to, is still unsettled. It must be decided if they will have a study hall or be excused to go home. The representatives were asked to poll the classes to find 1.) if the students thought pep assemblies were necessary, and 2.) which students specifically do not wish to attend these assemblies.

C. — Finally, Mr. Freeburn suggested that a permanent student council committee be formed to review and choose assemblies for the student body.

Exercise in thinking

1. Do they have a Fourth of July in England?
2. A farmer had 17 sheep; all but 9 died. How many had he left?
3. If you had one match and entered a room where there was a lamp, oil heater, and some kindling wood, which would you light first?
4. Is it legal in North Carolina for a man to marry his widow's sister?
5. Take 2 apples from 3 apples. What do you have?
6. Two men play 5 games of chess and each win 5 games. How could this be?
7. A man said he found a coin marked 46 B.C. Is he lying or telling the truth?

Actions speak louder than words

The next time you pose a question to your teacher and he rubs his nose or cheek with his finger, it may mean he's not exactly sure of himself. Below are some body language expressions from a book written by Julius Fast, writer of the book Body Language.

Putting arm around shoulder — "trust me"; lifting one eyebrow — "disbelief"; handling objects — "I'm lonely; help me"; cupped hands — "convincing gesture"; folded arms over chest — "isolate self, protection"; rubbing nose or cheek — "puzzlement"; scratching notion — "skepticism"; hand touching mouth — "doubts"; if two people cross their legs away from each other

— "they're hostile toward each other"; shrugging shoulder — "indifference; taking off glasses or looking away — "don't want to see or be seen"; swinging legs — "You're too near"; head tilted or rested at an angle with fingers doodling — "boredom"; tapping fingers — "impatience"; closed eyes, or withdrawal of chin unto chest, or hunched shoulders — "Go away, I don't want you here, you're intruding."

Note that the expressions above are only interpretations, so they are subject to the person doing the motions and the person who is interpreting these motions.

Girl of the Month

JANUARY Girls' League Girl of the Month, Laura Holtz.

"Oh boy, shocked!" was all Laura Holtz could say when she was asked how she felt about being picked Girl of the Month. The trait for January was empathy (empathy: feeling what another person feels, or putting yourself in the other person's feelings.)

Laura is a 5'11/2", brown-haired, brown-eyed cutie and is a sophomore this year. Her hobbies are eating, babysitting, reading and she likes to sing. She has a long list of favorite teachers including Miss Harrison, Mr. Green, Miss Port and Mrs. Denison; her favorite classes are P.E., Choir and Typing.

After high school, Laura would like to be an airline stewardess, secretary, or beautician. She will probably go to Business College or Beauty School.

Kar Korner

SEXY WESLEY stands beside his '48' Willie jeep.

I was quietly sitting in the cafeteria thinking bad things about Mrs. Vagt for giving us a World History test the day after an away wrestling match when I suddenly realized I hadn't even chosen anyone for Kar Korner this issue, and the deadline was today. Immediately I ran to the parking lot to look over the numerous cars, some hot and some not-so-hot. Partly because I dig jeeps and partly because it was the first car I saw, I decided on Wesley DuBois's familiar 1948 Willie Jeep.

Wes feels one of the most interesting things about his jeep is the convertible style top. It's great for those hot summer days, when the 4-cylinder engine takes Wes zipping along the highway. Wes wasn't sure of the exact

horsepower of his go-getting machine, but Bill Kreeman, boy mechanic, said he figured it would be about 150 hp.

Wes certainly gets a lot of use out of his 4-wheel drive "Catalytic". Besides transporting him to school almost every day and getting him to work on time (Ye Village Inn), it also carries him on his numerous hunting trips. Whether to the marshes for duck or the woods for deer, Wes depends on his jeep to get him and his equipment in and the game (?????), out. He never worries about getting stuck, with 15" mud tires you can go most anywhere.

Wes wanted me to mention his one luxury item; bucket seats. Well, that's all for now. —Mot Serahnil

4-H Summer school planned

summer school planned

The dates of June 14 to 19 will be important dates to many 4-H club boys and girls throughout Oregon. These are dates of the 56th Annual 4-H Club Summer School at the Oregon State University campus.

Each year during the month of June, a group of Columbia County 4-H Club members spend a week at the 4-H Club Summer School on the campus at Oregon State University. These members attend on scholarships provided by organizations, businesses and individuals interested in the development of youth.

During the week the young people explore a wide variety of classes in many fields of study to better prepare them for future career opportunities. Such classes include subjects such as leadership, forestry, science, town and country business (exploration of careers related to agricultural business), animal technician, to name a few. In addition to class work, they are offered many opportunities for social development through recreation activities, group living in dormitories, leadership training.

For many of the young people it is an experience that helps them to decide to attend a college or university or some other advanced educational institution.

The cost of a scholarship has been increased to \$35.00. The sponsors cost of a scholarship is \$30.00. The 4-H member pays \$5.00.

The interest by organization in helping to develop responsible youth has made it possible for Columbia County girls and boys to have this educational experience. Each scholarship of \$35.00 provides tuition, room and board for the six-day session. Selection of delegates is made by the scholarship committee of the Columbia County 4-H Leaders Association. 4-H club members 13 years or over are eligible to apply for a scholarship.

Any organization may provide a scholarship by returning the enclosed form and a check in the amount of \$30.00 for each scholarship. Checks should be made payable to the Columbia County Extension Service and may be sent to the Columbia County Extension Office, Courthouse, St. Helens, by March 15.

Booklet presented

On Thursday, February 18, Student body president, Lewis Mason and vice-president Chris Knudsen handed out safe driving booklets in the Modern Problems, US History, and the Biology classes to all students.

These booklets were donated by the Fraternal Order of Eagles 3362 as a community service project and presented by Ernest Kashe, secretary and Earl Stephens, acting president of Eagles Lodge, to the student body.

Lions drop four

ASTORIA

St. Helens Lions hosted Astoria Feb. 2, only to be dumped hard by the Fishermen 89-58.

In the first quarter the Lions fell way behind 24-8. Astoria never slowed up during the second quarter, as the half ended 52-20. The Lions tried hard to come back in the third quarter, but failed to catch up as the score turned 73-36. Astoria had the game all wrapped up in the fourth quarter as they downed the Lions 89-58.

High scorers were Don Mekosky-13 points, Chris Knudsen-9, and Jeff Carpenter-9.

TILLAMOOK

St. Helens Cagers hosted Tillamook Feb. 5. St. Helens stayed ahead the first half, then the Cheesemakers squeezed ahead to win 63-61.

In the first quarter the Lions ended up ahead 9-8. The Lions added a little bit larger margin in the second quarter to make it 25-21. The Cheesemakers came back in the third quarter to squeeze by the Lions 44-43. In the fourth quarter the Lions couldn't hang on as they lost a one basket game 63-61.

High scorers were Don Mekosky - 20 points and Chris Knudsen - 12.

SILVERTON

St. Helens Lions hosted the Silverton Foxes Feb. 9, for the most exciting game of the sea-

son. The game ended up in a double overtime, in which Silverton ended up on top, 63-59.

In the first quarter the Lions tried hard to pull ahead, but ended up settling for a tie of 15-15. Silverton came alive in the second quarter to pull ahead 32-23. The Lions couldn't find their range in the third quarter as they fell behind 47-37. In the fourth quarter the Lions came alive all at once to put the game in overtime 53-53. In the first three-minute overtime little scoring was done; it also ended in a 57-57 tie. Silverton came out on top in the second overtime to win a tough battle 63-59.

High scorers were Chris Knudsen - 24 points and Don Mekosky - 12.

MOLALLA

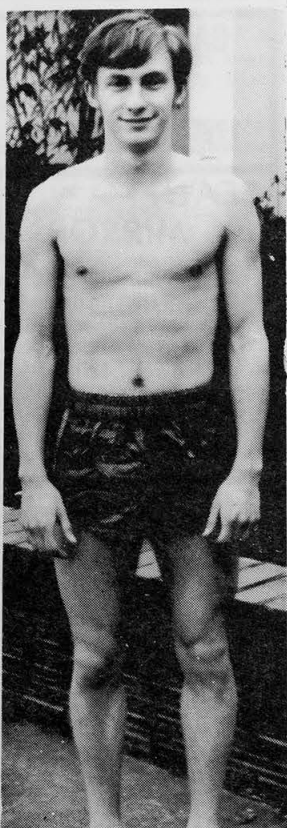

St. Helens Cagers traveled to Molalla Feb. 13. The Lions, weak in the first half, came back in the second half, but not enough as Molalla won a narrow victory 64-61.

In the first quarter the Lions dropped short, as Molalla crept ahead 20-14. The second quarter didn't show much improvement for the Lions as they went in at halftime behind 36-32. The Lions came back in the third quarter to squeeze ahead 48-46. Unable to hold the narrow margin the Lions dropped another game to Molalla 64-61.

High scorers were Chris Knudsen-18 points and Kent Kneeland-14.

WOULD YOU call this a foul?

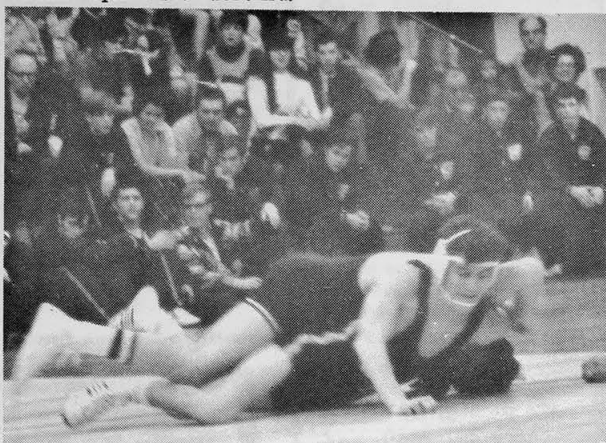

JACK WILLARD, SHHS Sr., participated in Northwest Indoor Invitational track meet.

Jack gets Fourth

Jack Willard, senior, represented St. Helens Senior High Jan. 30 in the Northwest Invitations at Memorial Coliseum.

Jack posted a 64.5 in the 500 yard dash, in which he was not pleased with his performance. Jack placed fourth out of six runners. He got off to a bad start and was cut off at the first corner, but that didn't stop him. Toward the end Jack came up to pass two competitors to finish fourth. Jack felt if he hadn't been cut off and had a better start he could have placed second or third.

Boys League and OHA work together

Members of the Boys League worked with the Oregon Heart Association Sat. Feb. 13 and raised over \$400 for the annual drive. The money will go to research and education for heart disease.

The idea of having High School students collect for the drive was conceived by George Cook, Chairman of the Columbia County Heart Association. He came to a Boys' League meeting and talked of the drive and its purpose. He also explained what the boys would be doing the day of the drive.

The town was divided into eight sections with each section having a section leader and two or three others. The section leaders were Stan Mendenhall, Chris Knudsen, Neil Willburn, Paul Nelson, Jim Linhares, Brent Violette, Lewis Mason, and Tom Linhares.

"It was a great personal pleasure" says Mr. Cook of working with the Group who Participated in the drive. He also expressed a hope of making the Drive an annual affair for the Boys League.
