

Miss Roberts

Mr. Whittick

Mrs. Van Grunsven

Three leaving SHSHS staff

This final issue of the Lions Roar is dedicated to three faculty members at SHSHS who will be leaving at the end of the school year.

Mrs. Wilhelmina VanGrunsvan joined the staff at the same time the Class of '73 entered SHSHS and will be leaving at the conclusion of the school year. Mrs. "V" is expecting a baby and will be "retiring" to take care of her child, hopefully a son.

Mrs. VanGrunsvan came to us here at SHSHS as Miss Middlehoven and on February 27, 1971 became the bride of James VanGrunsvan. The staff, on behalf of the student body would like to wish her the best of luck in the coming years.

Mrs. Sandra Roberts, Typing teacher at SHSHS is leaving at the conclusion of the year to be married to Darrell Ricksger in Eugene on June 23. Next fall she will continue her teaching at Canby Union High School. The staff on behalf of the Student Body would like to wish her the best of luck in the coming years.

Our loss of Mr. Whittick will be the Junior Highs gain. Mr. Whittick leaves the high school to return to the Jr. High School, where he left in 1969 to come to SHSHS.

World history students take trip

The Pittock Mansion and the Portland Art Museum were the stops for Mrs. Vagt's World History classes as they took the annual field trip to historic places in the area on May 9th. This is the second year that World History classes have gone to the Pittock Mansion.

The first stop was the Art Museum. There students saw both temporary and permanent exhibits on display. Works from Cameroon, in Africa, and Ethiopia as well as paintings from the Renaissance Era were viewed.

Next on the agenda was a lunch stop. The Carnival restaurant was the setting for this feat as students ate in the surroundings of rocking giraffes and horses.

Finally, the students toured the Pittock Mansion built on a very high hill in Portland. The mansion was built in the 1800's and was lived in until 1958. Much of it has been restored but the house itself, the marble stairways and some furnishings are original.

Students attending the field trip were Laura Snyder, Pat Olson, Debbie Houghtelling, Lori Lease, Carol Frigaard, Robin Hargraves, Dave Nelson, Rhonda Dawson, Sheree Bogardus, Joe Corsiglia, Rich Russell, Lyle Dodson, John Schmidt, Trudy Toma, Rose Grabowski, Patty McKeehan, John Wheeler, Steve Stobel, Telka Glosenger, Clayton Carpenter, Karen Ward, Kent Staff, Dan Skinner, and Kathy Jacobs.

FFA members compete in contest

On May 9 the Farm Management Contest was held at Scappoose. The St. Helens F.F.A. Chapter placed sixth. It was a contest on the making of decisions in farming projects and the identification of nurseries and crops.

Steve Hudson and Steve Rethati both placed high in individual standings. Steve Hudson was also elected the Northwest district secretary at the election of officers at the district meeting.

IRL sponsors dinner

The IRL Dinner was held Friday, May 4th. Proceeds go to help the AFS students who visit other countries.

Approximately \$80.00 was raised with the help of the 75 people who attended.

Debi Manges and Rhonda Dawson were in charge of food; Rachelle Carsner and Juanita Dougherty were in charge of table service; Sheree Bogardus arranged the table decorations; Colleen Crouse, tickets; and

Trudy Glasscoe and Rhonda Dawson were in charge of the program.

Summer classes offered at PSU

Graduating high school seniors planning to attend Portland State University in the fall are encouraged to participate in PSU's summer advising, orientation and registration program.

New freshmen who participate in the summer program can avoid the September registration rush and confusion. They may attend either one day or two evening sessions between August

14-31 to meet with advisors and plan their college program. Participants complete the registration process except for the payment of fees which is done in September.

The summer program also provides freshmen with a general picture of the University. Students, administrators and faculty members will discuss the buildings, cafeterias, bookstores, the library, educational activities and service programs for the student as well as financial aids, academic requirements and University procedures.

Notice to students

Attention Next Years Seniors: Senior portraits will be taken August 20, 21, and 22, 1973. Underclassmen, your pictures will be taken Tuesday, September 11, 1973.

NEW National Honor Society members inducted on May 16. They include Connie Anderson, Mike Bair, Laurie Brock, Wendy Clawson, Tammy DeLashmatt, Bonnie Doris, Nancy Erickson, Daelene Gainer, Shirley Gerson, Janet Gillespie,

Robin Hood, Miram Nolte, Steve Pavelek, John Ridenour, Mike Ross, Diane Simpson, Laura Snyder, Nancy Terry, Debbie Vanderwerf, Shawn Williams, and Gina Williamson,

New and old Quill and Scroll members pose for cameraman. Old members are standing to the left. They include Pam Massey, Terri Nickelson, Debbie Houghtelling, and Kathy Jacobs. New members include Rich Bailey, Nance Erickson, Robin Hood, Dave DePriest, Val Murpe, and Shawn Williams, in the back row. Front row; Twana Bates, Ron Euren, Telha Glosenger, Debi Nanges, Laura Philaja, Jeanne Carrien, and Debra Porter.

Job evaluation form revealed

1. Outstanding — exceeds job requirements
Leaps tall buildings with a single bound
Is faster than a speeding bullet
Can fly faster than a mighty rocket
More swift than a diesel train
Gives policy guidance to God
2. Exceeds job requirements
Must take a running start to leap over tall buildings
Is just as fast as a speeding bullet
When flying, cannot penetrate atmosphere
As swift as a locomotive
Talks with God
3. Meets expected job requirements
Can leap over short buildings only
Not quite as fast as a speeding bullet

- Only flies as high as commercial transports
Must hang onto train when running in order to keep up with it
Listens to God
4. Meets minimum requirements
Crashes into buildings when attempting to leap over them
Can shoot bullets
Has trouble flying
Must ride on train to keep up with it
Talks with the animals
 5. Inadequate — fails to meet minimum job requirements
Cannot recognize buildings
Wounds self when attempting to shoot gun
Cannot fly; cannot even walk fast
Is afraid of trains
Talks to the walls

Spanish students experiment

The Spanish II classes at St. Helens Sr. High have recently been doing reports relating to the subject of Spain, its cultures, or important aspects.

Mrs. Dana Welch, teacher of the Spanish classes, wants the students to learn more about the Spanish countries so they may better understand them.

The students participating were John Calhoun, Linda Crandall, Rene Duman, Lynette Engstrom, Jay Gregg, Gary Hallaian, Clarinda Hanson, Therese Scotto, Diane Thompson, and Barbara Webber from 6th period.

Jacque Bates, Patty Brock, Patty Click, Kathy Cooper, Tresa DiMurro, Wilton Eddy, Kris Nordquist, Julie Pidcock, Stephanie Phares and Deana Thompson from 7th period have done their reports on Spain, Argentina, Ecuador, Mexico, Spanish foods, customs, important people of these countries and the industrial aspects.

The students have used slides, pictures, maps, and have brought food to class to learn more about their subjects. Reports given were 30 minutes long, and the class grade each other on how well it is presented.

The Spanish III classes including Pam Chatterton, Rosemary Dahlgren, Shirley Gerson, Renee Lalande, Lorraine Smith and Debbie Vanderwerf will be doing a similar report, only theirs will be in Spanish.

BACKTALK Preformance appraisal

Letter to the Editor:

I think all the persons who even remotely had anything to do with the play did an outstanding job. Cast, Combo, Crew, and of course those directing them put such a tremendous effort into the play that it turned out to be the finest I have ever seen put on at the High School. You are all to be congratulated.

Appreciating fan of all.

Letter to the Editor:

I'm not a drama critic, but it seems to me that the thing that made the Charlie Brown play so good was that no one of the characters was "outstanding," but that all of the actors turned in excellent performances making it the well balanced production that was necessary to bring it off. And how about the combo?

KAR KORNER

The last issue of Kar Korner for the 1973 school year is devoted to Mr. Brannum's 1969 Orange Porsche. This car has been sitting in the SHSHS parking lot for quite a bit of the year but was saved for the last issue of the Lions Roar.

This car, considered by many to be a very special car if not the best, is a two door, 911 fastback.

It has a horizontal apposed over head cam six, with aluminum block and heads, cast iron cylinder liners, and eight main bearings which makes light weight but very sturdy, and high reaving engine. This Porsche has a 121 cubic inch displacement. (It may not sound like many cubic inches but with six Weber carburetors it develops 130 horsepower which will make this car top out at about 130 mph, which is faster than a lot of cars with three times the cubic inch and horsepower.)

This good performance is primarily due to the power to weight ratio. According to many automotive magazines this car is especially good for evernoring.

What goes must stop, right? This car is equipped with four-wheel disc brakes which helps control this car even at higher speeds. There is four-wheel independent suspension with the engine positioned in the rear of the car which produces a very

good balance, which contributes greatly to the excellent cornering ability of this little hot rod. There is also a low geared rear-end which adds much to the great take off ability.

The interior features full instrumentation including fuel indicator, and an oil temperature gauge. What else can a guy ask for? Black leather seats highlight the car very well.

This car is set off by mag-type Porsche racing wheels and Michelin X tires.

For all of this performance and luxury, Mr. Brannum gets about 25 miles per gallon (which may come in handy during the gas shortage crisis!) Pretty good huh?

For future improvements Mr. Brannum is planning on putting new Koni shocks.

Good luck with your beautiful little luxury hot rod and try not to get into any trouble, ok?

This is all of Kar Korner this year folks, have fun next year and get a good reporter that will do the kind of cars you want in Kar Korner.

It's been fun trying to do this article for the Lions Roar this year and I have learned much about cars than I thought there could be to learn. Thanks for the opportunity.

TINK

PSU sponsoring summer program

Summer session classes at Portland State University are open to all high school students — from freshmen interested perhaps in a foreign language or music class to seniors who want to get an early start on their college careers.

No formal admission is required to attend summer classes. A student simply needs to obtain a registration ticket request from the summer session office by June 15 and then sign up for the class he or she wants. (A social security number is also required.)

Grades are permanently recorded and credits may be applied after the student has gained admittance to PSU or another school which accepts transfer credits.

Over 700 regular courses and 100 special programs are offered between June 18 and September 7. They run from one to eight weeks. A number of visiting professors join three-fourths of PSU's regular faculty.

Tuition is the same as during the regular academic year (172 for 12-21 credits although a student may pay for only one course if that's all he or she takes). Deferred tuition, which allows any student to pay his tuition

in three installments during the summer, is available.

Additionally the student employment office is open to match students up with the jobs of their choice. A variety of other financial aids programs are available.

Information regarding summer session is available in the summer session catalog/time schedule. It includes information on courses, programs, and registration. The catalog/time schedule can be obtained now in person or by mail from the PSU Summer Session office, room 107 Francis Manor, 614 S.W. Montgomery, telephone number 229-4081.

Underclassmen (those who will not be college freshmen) may wish to consult with their high school counselors before participating in summer session at PSU.

Two orientation programs for freshmen, transfer students and summer session-only students are planned for June 15 in 338 Smith Memorial Center. The first will be from 9-11 a.m. and the second from 7-9 p.m. "Planning the first term" will be the major topic discussed with student services, registration and schedule planning also included.

New rules from Corvallis daily

The following is a reprint of a May 22, 1967 daily bulletin from Corvallis Senior High. The names, places, and dates were changed to make it more suitable for SHSHS, this does not mean these are to take place here.

Daily Bulletin

1. The student smoking lounge is closed for remodeling and repairs. Student smokers should report to the faculty room instead.

2. New administrative policy on hair, effective immediately: All students must wear their hair 8 inches long or shave their heads. Failure to comply is punishable by suspension.

3. Members of the SHSHS chapter of Alcoholics Anonymous should report to room 5 for year-book picture fourth period.

4. 18" by 40" fold out-pin ups of the 1957 Prom Court will be on sale tomorrow in the front hall for 50¢ each.

5. Students wishing summer employment with the CIA (central intelligence agency) should contact Mr. Butler in room 18.

6. Beginning May 23 all students must wear Camel Hair suits to school or wear no clothes at all.

7. The "Everyman's Guide to Dirty Books in SHSHS Library" are now available for 35¢ at the student store.

8. The St. Helens Chapter of the United Anarchists of Oregon will hold their regularly scheduled meeting at seven o'clock. All members are urged to attend. Election of officers will take place.

9. A 1943, gray pontiac sedan, license number OD 123 is parked in Salmonberry Lake. This is an illegal parking zone. Will the student who owns the vehicle PLEASE move it.

Student government day held

Students from SHSHS participated in the St. Helens Youth Day, May 3.

Students spent the day with officials in various departments of city government. Sue Hamilton spent the day with Acting Mayor, John Zaniker. Terry Charlet, Bill Perkins, Connie Franks, Shirley Templeton, John Schmidt, Dan Skinner, Mike Peterson, Jim Finnell, and Tim Kilmer were scheduled to spend part of the day with the police department and Chief Glenn Ray. Linda Kucera visited Leo Mickelson at City Hall. Tim Wayne spent the day with Jim Davis of the Dept. of Public Works. Lori Lease, Randy Hood, Glorene Simpson and Bambi Berdahl visited Claude Wilson at the Sewer Plant.

Rod Whitney met Jim Davis of the Park Dept. and Brenda Johnson and John Watson were scheduled to meet Bill Mallory of the Dept. of Motor Vehicles. Robin Hargraves, Bonnie Minikel, Roseann Constantin, Patti Rynyan, Harvey Jones, Debbie Thiede, Debbie Thurman, Margaret Goodwin, and Rhonda Else were scheduled to meet Judge Kalberer of Circuit Court. Joe Corsiglia, Mary Lou Sukau, Terri Nickelson, Carol McShirley, Debbie Clegg, Terri Luttrell, Teresa Mattinin, Diane Snider and Diana Robinson met with Judge Mason of the Justice Court.

This annual visit to city governmental agencies is sponsored by the Elks.

THE 1972-73 Boys track team: Coach Gene Strehlou, Brian Sigler, Frank Everhart, Mark Mallory, Joe McGilvra, Charles Muehleck, Mike Duman, Jeff Edwards, Durrell Kearsley, Coach Dave Kocer, Tim Waine, Terry Charlet, Jeff Heller, Rick Kling, Ron Hamilton, Rick Burgoyne, Dave DePriest, Keven Kent, David Stroud, Randy Peterson, Mike Peterson, Jim Beck, Tom Barker, Gary Kling, Mark Knudsen, and Gary Hallaian.

Columbia track club organized

The Columbia Track Club was organized at an open meeting for interested persons on Wednesday, May 2.

The purpose of the track club is to provide the opportunity for youngsters of all ages to compete in field and track events. This is envisaged as a year-round program with meets in the Spring, Summer and Fall. Participants would be encouraged to work out throughout the year.

Spearheading the organization is Al Pihlaja. He will serve as chairman. Temporary committees were set up to get the club going in time for the first competition, which will be preliminary meets for the Junior Olympics.

Pat Marpe will serve as secretary and membership chairman, Gene Strehlou as chairman of program, Jay Austin as finance chairman. Other members of the program committee are Lou Glosenger, Frances Stewart, Marsha Richard, Bill Amos, Craig Miller, Bill Pitts and Jim Cordell. Vianna Pihlaja, Bob

Gauen, and Jack Peterson will serve on the finance committee. Evelyn Townsend will assist with membership and Dorothy Hallaian will assist with publicity.

Supporting memberships are being sought at \$10 a year (tax deductible). Membership fees for participants in the program are \$3 a year (insurance included). If a member wishes to participate in AAU meets, there is an AAU membership fee of \$1.50 per year which may be paid before the AAU meet.

Membership is to be open to all boys and girls and adults. memberships will be sponsored for those who lack fees, but are sincere in their desire to participate.

Other Columbia communities, such as Scappoose, Rainier, etc. would be welcomed, according to the chairman.

Because of the open preliminaries with no elimination meets in the grade schools, it was decided to hold three preliminary meets for the different age groups.

Senior boys who are members of the high school track team cannot participate in a non-school meet during track season, but may participate at other times of the year. Their official times may be used to qualify for the AAU State Meet. Preliminary meet winners and runners-up who meet State qualification marks will qualify for the State AAU meet at Franklin High School in Portland. The State Meet starts at 10:30 Saturday, June 2 for all divisions except the Senior Boys, who will meet June 8 at 1 p.m.

Future plans, which are in the preliminary planning stage, include a possible invitational and all-comers dual meet during the Port-O-Fun.

The Midget and Junior Division (ages 10-11-12-13), will be held at the High School May 23, starting at 4 p.m. Boys and Girls Intermediate Division (14-15 yrs.) will be held at 3:30 on May 16. Senior Girls Division (16-17 yrs.) will be held Wednesday, May 16 at 3:30 at the High School.

Lions place fourth in relays

St. Helens placed fourth at the Lower Columbia Relays held on the home field May 12, 1973. Reynolds placed first, followed by Forest Grove, Astoria, St. Helens, The Dalles, Silverton, Hood River Valley, and Sam Barlow.

The 2 mile relay was won by the

St. Helens team composed of Knudsen, Kling, Painter, and Beck.

In the triple jump Ron Hamilton placed fifth for St. Helens.

A third place was picked up by St. Helens' 880 relay team.

In the discus Terry Charlet placed fourth with a 134'6" for points for the Lions.

The sprint medley team picked up a first place with a time of 3:53.5.

Terry Charlet picked up a fifth place in the shot put for St. Helens.

The distance medley placed first and that team was composed of Knudsen, Beck, Painter, and Kling.

A sixth place was picked up by St. Helens' 440 relay team.

Dave Stroud picked up a third place in the pole vault at 11'6."

Peterson, Kearsley, and Edwards composed the shuttle hurdles team which placed first.

The mile relay team placed fourth at 3:37.9. In the long jump, Peterson placed fourth.

Dragons defeated by Lions

St. Helens varsity baseball players bettered their record May 1 by beating the Dallas Dragons by a score of 10-7, their league record now stands at 2 wins and 8 losses with an overall

record of 10 wins and 12 losses.

The game proved to be a tough one for the Lions because after the end of the first inning it was tied 2-2, and then again in the third inning the Dragons took a slight lead and after the third inning of play the score was 7-6 in favor of Dallas. The fourth inning was scoreless but in the fifth Rick Luttrell scored the important tying run. The Lions put it away in the 6th inning scoring 3 runs and then held the Dragons scoreless in the seventh to win 10-7. Scott Clark pitched the whole game and only allowed 2 hits. Runners scoring for the Lions were Scott Clark, Mike Ross, Ralph Shaw, once; Rick Luttrell and Ron Barrick twice; and Randy VonAllman scored 3 times.

Dave Warren.

St. Helens' next two runs came in the fourth inning with Bruce Kneeland and Dennis Baer scoring on hits by Pat Kearsley and Duane Wallis. The Lions final run came when Dave Warren scored as Scott Johnson hit a single.

For the J.V.'s, Tim Kilmer is leading in batting averages with an average of .333 which is followed closely by Neal Sheppard with an average of .312.

J.V.'s down Vikings

Along with the varsity, the J.V.'s have been showing some improvement. Their record now stands at 6 wins and 5 losses after a win of the Forest Grove J.V.'s with a score of 5-1.

In the game, the Vikings took an early lead as they scored their only run in the second inning, but St. Helens didn't give up and after the third inning the Lions lead 2-1 with Pat Kearsley and Duane Wallis scoring on hits by Duane Wallis, Rob Fenk and

THE 1972-73 Girls track team, Val Marpe, Janis Warren, Julie Grau, Laurie Brock, Kathy Dougherty, Karla Rice, Sharon Shinn, Diane Heacock, Sharron Kreman, Tessa DiMurro, Juanita Dougherty, Connie Anderson, Laura Lewis, Mrs. Stewart, Kathy Cooper, Patty Lathers, Laura Pihlaja, Pam Burback, Deana Thompson, Kathy Houghtelling.

Diamonmen down Rainier

Varsity diamond men traveled to Rainier April 28 and took a pair away from them as they won 7-2 and 11-4.

In the first game Ron Barrick pitched the whole game and allowed only 4 hits. St. Helens took an early lead as they scored twice in the first inning, with Ron Barrick and Randy VonAllman coming across the plate. Barrick and Rick Luttrell scored in the 5th which made the score 4-2. St. Helens ended all scoring in the 6th inning as Greg Jensen, Ron Barrick and Ralph Shaw all scored.

In the second game the Lions clearly dominated the game as all their runs came in the first 3 innings with Rick Luttrell scoring once, Rob Fenk and Ron Barrick scoring 3 times with Jensen hitting a home run.

Forest Grove falls to Lions

Varsity diamond men played their finest game of the year May 7 by beating the co-leader Forest Grove Vikings by a score of 2-0.

The Lions got across the plate quickly as Ron Barrick scored on Greg Jensen's single in the first inning. As Forest Grove came to bat they couldn't even get a man on base as they went out one, two, three for the first four innings. St. Helens' second run came in the third inning when Ralph Shaw scored on a Viking error.

The win was more or less assisted to Scott Clark's unhittable pitching through the whole seven innings, although getting a shoutout he allowed only one hit and struck out 10 batters, after this game he has an ERA (earned run average) of 0.656.

Along with the fine pitching St. Helens has some fine batters with averages over .300. They are Randy VonAllman, .333; Rick Luttrell, .306; and Greg Jensen, .305.
