

# LIONS' ROAR

Volume XXIX No. 17

St. Helens Senior High School

June 4, 1973

The 1973 Cub issue of the Lions Roar is dedicated to this years AFS student, Rhonda Dawson. Rhonda will be returning to Australia this summer and will be leaving St. Helens on June 30. During an interview with Rhonda she had this to say about St. Helens, "St. Helens Senior High has been an important part

of my life, a part that I will never forget. The one thing I will remember about SHSHS is the friendliness and sincerity of the many friends I have made. I have enjoyed the classes and teachers I was blessed with, I also enjoyed the club activities, especially Girls' League. I was proud to be a member of this great school.

"Thank you, St. Helens, you have given me happiness beyond compare."

The Cub staff would like to express the feelings of the entire school in saying "... Thank you Rhonda, you have given us happiness beyond compare, and you've given us a lot to remember you by. Farewell and the best of luck."

## round-and-about

It's the end of the year, isn't it wonderful! And with the end of another hard-fought year, the memories seem to come floating back.

\*\*\*\*\*

The Boys' League honored their mothers at a banquet on May 22, which the boys prepared and served. Approximately 50 mothers and sons attended. The program was presided over by Mike McCain, Boys' League president.

\*\*\*\*\*

Students of the D.O. class visited Kaiser Gypsum for a tour of the plant. The purpose of the tour was to gain exposure to an occupation. The students went through all the departments of the plants' offices, boiler room, research and quality lab and shipping. This was followed by a seminar by Jay Gregg. He explained the purpose of each machine, and answered the students questions. This is the fourth year for the D.O. class to take this field trip.

\*\*\*\*\*

Several weeks of special Latin cultural projects by Mrs. Dana Welch's Spanish classes culminated in a Mexican dinner (at 8:30 in the morning?!).

\*\*\*\*\*

Jim Linhares, a 1971 graduate of St. Helens Senior High, has organized a Teen Club. The officers of the club are Jim Linhares, President, Rich Bailey, Vice-President, and Connie Carpenter, Secretary. The club plans to hold a dance every other week this summer, starting June 16. People of any age are welcome to the first dance. In order to finance the club, members have sold Lions Banners and are planning to hold a car wash in the near future. They hope to hold the dance in the old bowling alley. Everyone is invited to the first dance, tentatively scheduled for June 16.

\*\*\*\*\*

Thursday, May 31 was the day set for the annual Senior Banquet. The turkey dinner was served at 6:30 in the cafeteria. Entertainment was provided by selected Sr.'s.

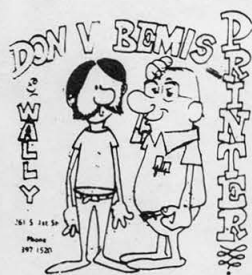

\*\*\*\*\*

The graduating class of '73', 160 strong marched to "Pomp and Circumstance" on June 4, led by Valedictorian, Patricia Olson, and Salutatorian, Andrew Nordquist.

Happy day Graduates

## EDITORIAL PAGE

Dear Faculty and Students of SHSHS:

As my final year at SHSHS ends, I would like to thank my staff, and our readers who made my time as Editor of the Lions Roar a time I shall never forget.

We, on the staff, made many errors, but no one is perfect (especially us), and the readers made few comments on our mistakes.

We worked hard, and tried to cover everything that went on in the two weeks between copy deadlines. Although we probably missed some things no one ever complained to us.

I leave you now, knowing that Valerie Marpe will do a good job as your newspaper editor next year.

Good Luck,  
Debra Houghtelling  
Lions Roar Editor, 72-73

and drizzel, they gave encouragement when it was needed, but kept quiet when the time came.

For all those of you who don't know, we beat Forest Grove. We beat a team that, at that time, was tied for 1st place. What more can you ask for our club. Despite any plans, the cold weather, or dismal atmosphere, some very loyal men took time to come out and support our team. I'm sure most of the other players feel this way and I definitely do. When you're cheered on by men who have either taught you or coached you before, your whole morale is boosted, and you take note of what they say. There were also some very loyal people from our community, who are there very game, and cheer on for better or for worse. I just would like to thank you people for giving this great support, which every player needs in order to perform to his potential. Keep up the Spirit!!!

Jeff Templeton

## BACKTALK

I imagine most of the time you get complaints coming in as letters. Well, despite any complaints most of the men faculty came to watch the Lions vs. Forest Grove baseball game, on Monday. There were the regular active spectators, but these men from the school deserve some recognition. It's not easy to come out and root on a last place ball club. We've had our problems this year, but despite all this, these men took the time to come and watch one of the few league victories. Not only did they stand and watch in the rain

Drama Awards were presented Friday evening, May 25, during an indoor picnic at "Cosgriff Studios." Attending were all students who were connected with the plays as actor or crew.

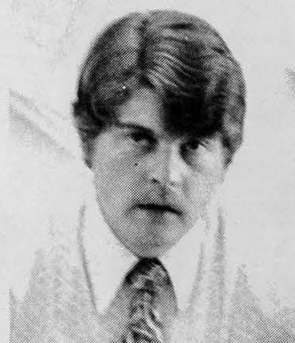

"Academy type" awards were presented for "Best Actor," Mike Gilbert, and runner up, Dave Lawrence. "Best Actress" went to Jean Mendenhall with Rhonda Dawson, runner-up. Best supporting actor Ted Gross, with Larry Weaver second.

Best supporting actress was won by Clarinda Hanson and Cathy Walker. Best minor actor was Bill Perkins, and Larry Weaver was runner up.

Best minor actress was given to Jeanne Warren, with Rhonda Dawson second.

Others receiving awards were Dave Lawrence, Mike Gilbert, Clarinda Hanson, Lori Hudson, Jim Beck, Larry Weaver, Rhonda Dawson, Jean Mendenhall, Shawn Williams, Michael Gilbert, Sheree Bogardus, Lori Hudson, Mile Gilbert and Larry Weaver.

The highlight of the evening was the presentation of "The Devil made me do it" award, given to Sheree Bogardus, and Juanita Dougherty for the biggest goofs during production.

LEAVING us is Lyman Hagen, who is going to move to Estacada.

## Hagen departs

Lyman Hagen, the Agriculture teacher, is leaving St. Helens High and returning to Estacada High where he interned for student teaching for a year. His reason for leaving is that Estacada is a much more diversified Agricultural area.

Mr. Hagen said, "The students at St. Helens High have put out a lot of work and many extra hours in the FFA. The student interest and involvement is tremendous. And I will miss the students at St. Helens, the community is very pleasant."

## Kar Korner

This is it, the last kar korner. But for this issue it's a truck and a cherry at that. The vintage is approximately 1951, brand name G.M.C. The owner and driver of this beast is Gina Williamson.

Moving to the inside, it has many options that were given at no extra charge - such as custom doors, absence of a window and side panel - so she can see what moving parts she doesn't have. Another luxury item is the mounted heater switch that's frozen in the off position. The last feature inside is the bright red seat cover to match the green color of the outside.

The power plant - and I mean power plant - is a hefty 235 six-cylinder with an under head cam. To get top performance out of this motor Gina has a Rochester single throat carburetor - well at least she doesn't have to worry about kicking in the secondaries. The running gears are all stock consisting of a GM truck four speed and stock four eleven rear end gears. For tires she has high quality, slightly used snow tires all the way around, but she only has two wheel drive, though it might fool someone.

Future improvement for this mobile is to run it off a cliff.

## Biology II Goes to Rain Forest

Biology II took a trip to Olympic Rain Forest on May 18-20. They left the Senior High at 8:00 p.m. and arrived at 1:00 a.m. Then they all hit the dusky trail. When morning rolled around they hiked 6 hours in the raining wilderness to a Chalet 13 miles away. The next day they woke up at 7:00. While the others were awakening, Dale Ogan, Dave

Johnson and Mr. Strehlou cooked breakfast for the crew. After breakfast was eaten the girls and Mike Halstead left early. Glenna Mueller the courageous little mountain climber O.D.'d so they had to carry her pack.

The most exciting part of the day was when Mr. Strehlou fell down over a log, but Dave Johnson saved his life by keeping him from falling into the rushing river far below.

Steve DeShazer was the sad one when coming home he accidentally sat on his Pith helmet.

The Lions got off to a fast start with a sweep in the mile. Jim Beck and Ralph Painter tying for first and Rick Kling a close third. In the two dashes, Sandy picked up 1-2 in the 100 and took all three spots in the 220, while Mark Mallory of St. Helens took a third in the century. In the 440, Sandy again placed 1-2 with Marc Knudson, St. Helens, getting third.

Sandy's Ralph Peterson won the High Hurdles with Randy Peterson and Jeff Edwards picking up second and third. Peterson of Sandy went on to win the Long Jump, Triple Jump, and Intermediate Hurdles. Rick Burgoyne picked up St. Helens' last place in the Javelin with a third. Sandy won both the 440 and Mile Relays for a 77-68 final score.

In the JV meet, Sandy came out on top 64-1/2 to 44-1/2. Sandy, however, was using their freshman team in addition to their J.V.'s. The two top performers of the day were Jeff Heller and Frank Everhart, who were the only double winners for the Lions. The results of the Sandy meet:

The Lions again, took first and third places with Heller and Lasich finishing in the intermediates. Everhart took first in the javelin with Baese finishing third.

St. Helens took the high jump with Heller first, Lasich second and McGilvra third. St. Helens also took first and second places in the mile relay.

In the two mile run, McGilvra of St. Helens took first with Clem and Hull finishing second and third.
